

COVID Testing Instructions

These Instructions are for participants and spectators (not for technical officials and volunteers)!

Take care that you have enough time before you want to enter the venue! There can be waiting times of up to 30 minutes and it can take up to 30 minutes to get the test result after being tested.

You will also need your passport and a FFP2-mask, so make sure to take them with you!

The test center is in **Messehalle A**, Messeplatz 1, 8010 Graz (<http://styrian-international.at/map>).

Test times: Mon-Thu 8 a.m. to 6 p.m. | Fri 8 a.m. to 10 p.m. | Sat, 8 a.m. to 6 p.m. | Sun, 8:00 a.m. to 12:00 p.m.

Look for the “Testen” sign. There are two waiting lines in front of the entry to the Testen/Test Station - take the left one (“ohne Termin” = test without appointment)!

When you are inside, fill in the form on the tables as shown on the next page and go on.

The tests are self-tests (you have to do the testing by yourself). Here is a quick overview:

You will get more instructions right before the test. If you are not comfortable doing the test yourself, talk to a person in uniform and the test will be done for you.

You can choose to get the result by e-mail or by SMS. If the test is finished you will get a link to see your result (you need a working internet connection to access the result). If that is not possible, tell them at the registration and you will get a printed version (you will have to wait at the testing station there for the print out).

If you get a positive test result, you have to inform the organizer immediately (+43 680 2328428)!

Fill out the form as shown below. **Leave everything else blank!**
